

## Keep your house in the same condition you received it by:

- Vacuum and sweep every few days
- Mop floors each week
- Wipe kitchen benches everyday
- Clean up the kitchen spills as they happen
- Use detergent to wipe grease/grime off the stove and the walls around the stove
- Clean the bathroom and laundry every few days - wipe down basins, baths, benches and showers
- Scrub the loo and wipe down the outside of the bowl every few days
- Open the windows, especially in the bathroom and laundry - let fresh air in whenever possible
- Collect rubbish every day and take it to the outside SULO bin
- Put your SULO bin out for collection every week
- Brush down cobwebs
- Dust surfaces and fittings using a damp cloth every week
- Check walls for dirty marks and clean using a soft damp cloth and detergent in water
- Clean windows, sills and frames every few months
- Keep the house free of insects, mice and rats - use traps or insecticides if needed
- Keep the yard tidy and free from rubbish, cut the grass when needed, sweep paths and paving
